Honor Awards

CHANCELLOR'S AWARD

Presented annually to an outstanding student or students on the basis of academic excellence and contribution to campus life. The Morris Campus Student Association Executive Committee and student members of the Campus Assembly nominate students. The Chancellor of the University of Minnesota, Morris makes the final selection.

ALLEN W. EDSON AWARD

Presented annually in recognition of total contribution to campus life. The selection is made by the Executive Committee of the Morris Campus Student Association, student members of the Campus Assembly, and faculty. It carries both a certificate and a cash award.

CURTIS H. LARSON AWARD

Established in honor of the late Curtis H. Larson, the award is automatically conferred upon the graduate chosen as senior class speaker. It carries both a cash award and a certificate which is presented at commencement. Mr. Larson, who was the first senior class speaker in 1964, died as a result of an automobile accident while serving with the Peace Corps in Ecuador following his graduation.

MARY MARTELLE MEMORIAL AWARD

Presented annually to a student and to a staff employee deemed to have made outstanding contributions to the quality of campus life at the University of Minnesota, Morris. The award perpetuates the memory of long-time Office of Student Activities secretary Mary Martelle.

ABBOTT AWARD IN PHYSICS

Presented to a UMM graduating senior planning to attend graduate school who shows the greatest potential of achieving a professional career in physics.

NATALIE BENOIT MEMORIAL AWARD

Presented to a junior or senior at the University of Minnesota, Morris who has demonstrated ability and shows promise as a serious art student.

CHRIS BERG MEMORIAL AWARD

This award is presented annually to an outstanding senior majoring in economics who has demonstrated academic excellence in that field. It is presented by the business economics/economics faculty of the University of Minnesota, Morris in memory of their late colleague.

ROY GROHS AWARD

Presented to an outstanding business economics or economics junior who has demonstrated academic excellence, provided service to the discipline, and who will be returning to the University of Minnesota, Morris.

JAY Y. ROSHAL AWARD

Presented to a senior student majoring in biology at the University of Minnesota, Morris who demonstrates the most promise and interest in a career in the biological sciences.

WILLIAM R. SCARBOROUGH MEMORIAL AWARD

Presented annually to a senior student enrolled in either the elementary or secondary education programs, the award recognizes a student's demonstrated competence and potential for becoming an outstanding member of the teaching profession. The purpose of the award is to perpetuate the memory of William Scarborough who joined the UMM faculty in 1966 and made many contributions to UMM and to public education in Minnesota.

GRADUATE AND PROFESSIONAL SCHOOLS

It is important that our seniors going on to graduate and professional schools also be recognized. We know from past history that one in four will do so within this next year. Graduates are going on to such schools as Washington University, St. Louis, in art, to Stanford University in chemistry, to Rutgers University in political science, to the University of Minnesota in medicine, computer science, veterinary medicine, and law. But because many are still making plans, a complete list for this year's graduates is not yet available.

Additional Honors

THE AMERICAN INSTITUTE OF CHEMISTS FOUNDATION AWARD

Selected by the University of Minnesota, Morris chemistry faculty, the award is presented to the outstanding chemistry major.
Mark Sorum, Breckenridge

McNAIR SCHOLAR

Named after Challenger space shuttle crew member Ronald E. McNair and funded by the U. S. Department of Education, the program aims to encourage talented college juniors majoring in the physical sciences to pursue doctoral studies. As one of eight students chosen nationally, Cheri Hautala will participate in a summer research internship at the University of Maine.

Cheri Hautala, Eveleth

MINORITY MENTORSHIP PROGRAM

Participants in the mentorship program are paired one-on-one with a faculty mentor based on similarities between the mentor's data profile and the scholar's intended academic major, career or personal interests with the ultimate goal of fostering maximum achievement of personal, academic, and professional potential for the scholar.

WALL STREET JOURNAL AWARD

Presented to a student who has earned at least a 3.0 grade point average in an economics major and who has maintained at least a 2.75 overall average. General contribution made to the college community is also considered.

Rebecca Foote, Clarissa

JOSEPH W. YEDLICKA AWARD

Presented by Pi Delta Phi, the National French Honor Society, the award has been given only during the last three years in the United States; two of the three recipients have been UMM students.

Stephanie Schlagel, DeGraff

Jennifer Deutchman, Elk River, and Brenda McCarthy, Chanhassen, have been elected to membership in Pi Delta Phi.

Dean's Honor List

The following University of Minnesota, Morris students were named to the Dean's List for fall and winter quarters of the 1992-93 academic year. To be eligible for the Dean's List, a student must have a grade point average of 3.5 on a 4.0 scale, be registered for a minimum of 12 credits, complete all of the credits for which she or he is registered, and carry at least two-thirds of these credits on the ABCD-N grading system.

All University Scholarships

UMM ALLISS EARLY IDENTIFICATION SCHOLARSHIP

Students are identified in the ninth grade by a committee made up of Minneapolis School district counselors and administrators, along with University personnel. Once identified as potential high-ability students, they are awarded a scholarship for at least six quarters of attendance at any campus of the University of Minnesota.

PRESIDENT'S OUTSTANDING MINORITY SCHOLARSHIP

Entering freshmen who are recipients of the Morton S. Katz or the President's Outstanding Minority Scholarship are the inherent participants in the mentorship program. Scholars are paired one-on-one with a faculty mentor based on similarities between the mentor's data profile and the scholar's intended academic major, career or personal interests, or personal preferences. The ultimate goal is for the relationship to foster maximum achievement of personal, academic, and professional potential for the scholar.

ALL-UNIVERSITY PRESIDENTIAL SCHOLARSHIP

The University of Minnesota has established a Presidential Scholars Program available to aid students on any of its campuses. In addition to receiving a cash award, Presidential Scholars participate in special activities and seminars. Applicants are nominated by their high school and are selected according to criteria based on academic performance, evidence of leadership and potential for scholarship and contribution to the University community.

The Regents' Seal was adopted by the Board of Regents in 1939 as the corporate seal of the University of Minnesota. The Latin motto means "a common bond for all the arts." The lamp represents the metaphysical sciences; the telescope, the physical sciences; the plow, the industrial arts; and the palette and brushes, the fine arts.
